515 W Mountain Ave.
Las Cruces, NM 88005

Sir,

The Sandoval County Cycling Club fully supports the New Mexico Bicycle Summit's proposed designation of USBRs 60, 66 (Adventure Cycling Route) and 75 across the State of New Mexico. We hope that the Summit will be successful in working with the New Mexico Department of Transportation to get the routes formally designated with the American Association of State Highways and Transportation Officials (AASHTO).

Sincerely,
